

As a resident of the municipalities of Hareid, Ulstein, Sande and Herøy, you are provided with household waste management services by SSR. From July 2019, food waste will be collected every 14th day, and residual waste, plastic and paper will be collected once a month. You can bring other types of waste to specific collection points or one of the three SSR recycling stations.

SSR Recycling Stations

Waste items that are so large that they won't fit into a bin can be brought to our recycling stations. We encourage everyone to take furniture, lamps, books and similar reusable items to second-hand shops and flea markets, or post them on websites for selling things online.

Opening Times for Recycling Stations:

Saunesmarka (Ulstein and Hareid):

Smårisevadet 20, 6065 Ulsteinvik
Mon-Thurs: 10am-5.30pm and
Fri: 8am-3pm

Garden Waste Collection Site in Eidet (seasonal):

Mon-Thurs: 12pm-7.30pm and
Fri 8am-3pm

Mjølstadneset (Herøy):

Mjølstadnesvegen 13, 6092
Fosnavåg
Mon-Thurs: 12pm-7pm and Fri 8am-3pm

Myklebustmyrane (Sande):

Myklebust 223, 6082 Gursken
Tue and Thurs: 2pm-7pm

You can contact SSR
by telephone 70 00 70 50 or
email firmapost@reinhaltsverket.no

When and how do we collect waste?

Your collection day depends on where you live and which zone you belong to. You will find the information regarding this on our website reinhaltsverket.no.

On the collection day, place your waste bins by the closest road where the refuse collection truck passes. Please contact us on the phone if you are not sure where to place your waste bins.

Plastics must be put into a transparent, tied sack which you should place next to your waste bins. Please ensure that the bins are not overloaded and the bin lids are closed.

If you don't have enough space to dispose of all your household waste, you can buy extra sacks from SSR which you should place next to the bins.

Let's protect the resources together!

Welcome to the neighbourhood
as a new SSR subscriber!
